Version: 4

BROE2 Files

BROE2 Exports all of the information in one Zip file. The Zip file contains 12 files which are used by competitions. Some of the files are similar to others but with a different number of rows.

Crews

This file contains crews in a competition regardless of their status

Column	Notes
CrewID	Used to link information together
Crew Name	Name assigned to a crew by club
Date Submitted	Sometimes used to determine if crews have to be rejected due to too many crews
EventID	Links to the event entered
Event Identity	Internal code of the event
Event Override Name	Name displayed at all stages
Composite	Y or N – flag if the crew is a composite
CompositeCode	3 letter codes of the clubs in the crew
Submitting Club	Name of the club submitting the entry. Club of the crew unless a composite
Submitting Club Index	3 letter code of the club submitting the entry
Submitting Administrator Name	Normally Entry sec for the club
Submitting Administrator Email	Used to email the required information to the club
Entries Secretary	Official Entry secretary of the club
Entries Secretary Email	Used to email the required information to the club – often the same as the submitting admin
Competition Contact Name	Contact information for the crew on the day
Competition Contact Home Telephone	Contact information for the crew on the day
Competition Contact Mobile Telephone	Contact information for the crew on the day
Competition Contact Work Telephone	Contact information for the crew on the day
Competition Contact Email	Contact information for the crew on the day
PreEvent Contact Name	Contact information for the crew before day
PreEvent Contact Home Telephone	Contact information for the crew before day
PreEvent Contact Mobile Telephone	Contact information for the crew before day
PreEvent Contact Work Telephone	Contact information for the crew before day
PreEvent Contact Email	Contact information for the crew before day
Paid	Y or N – shows if the entry has been paid for
Payment Date	Sometimes used to determine if crews have to be rejected due to too many crews
Payment Type	Online, Manual, Unpaid – Often used by the treasurer to help reconcile payments.
Refunded	Y or N – shows if the crew has been refunded.
Current Crew Status	Submitted, Accepted, Rejected, Withdraw, Scratched – replaces the multiple flags of OEI
Notes	Large field for clubs to put notes against a crew
Boat Name	Anything that the club wants to call the boat
Boat ID	ID of the boat record in BROE

Boating Permissions Club Name	Only used on tideway – full name
Boating Permissions Club Index Code	Only used on tideway – 3 letter code
Boating Permissions Club Email	Only used on tideway – from the club record
Division Assigned	Name of the Division for the crew
Club Code	Same as Submitting Club
Band Name	Used if the event has been banded. If a band is split horizontally then the group is also shown. <i>This will be split into two columns early 2018</i>
Group	<i>This will be added early 2018</i>
CrewLetter	A-Z Letter assigned by a club to the crew
CompetitionNotes	Only available to the organisers
Rowing CRI	Calculated from the current competitors
Rowing CRI Max	Calculated from the current competitors
Sculling CRI	Calculated from the current competitors
Sculling CRI Max	Calculated from the current competitors
Coxing CRI	Calculated from the current competitors
Coxing CRI Max	Calculated from the current competitors
Rowing Status Points	Calculated from the current competitors
Sculling Status Points	Calculated from the current competitors
Baseline Rowing CRI	Baseline for the crews when calculating changes
Baseline Rowing CRI Max	Baseline for the crews when calculating changes
Baseline Sculling CRI	Baseline for the crews when calculating changes
Baseline Sculling CRI Max	Baseline for the crews when calculating changes
Baseline Coxing CRI	Baseline for the crews when calculating changes
Baseline Coxing CRI Max	Baseline for the crews when calculating changes
Baseline Rowing Status Points	Baseline for the crews when calculating changes
Baseline Sculling Status Points	Baseline for the crews when calculating changes

Crew Baselines

This file has the same columns as the Competitors, except that the PRIs and Status Points are as at the close of entries.

WithdrawnRejectedScratched Crews

This file contains the crews that have withdrawn, been rejected, or have scratched. It has most of the columns as the Crews. The columns missing are Band Name, Crew Letter, Competition Notes, CRI and Baseline CRIs and Status flags.

Starting List

This file contains crews in a competition regardless of their status

Column	Notes
CrewID	Used to link information together
EventID	Links to the event entered
Event Identity	Internal code of the event
Event Override Name	Name displayed at all stages
Division Assigned	Name of the Division for the crew
Submitting Club Index	3 letter code of the club submitting the entry
Submitting Club	Name of the club submitting the entry. Club of the crew unless a composite
Crew Name	Name assigned to a crew by club
Composite	Y or N – flag if the crew is a composite
CompositeCode	3 letter codes of the clubs in the crew
CrewLetter	A-Z Letter assigned by a club to the crew
